Date: March 22, 2012

The Southern Berkshire Regional School Committee will hold a special meeting on **Thursday March 29, 2012 at 6 P.M. in the cafeteria of the Undermountain Elementary School.** Discussion will center on the formation, scope and goals of an ad hoc committee to investigate effective ways to bring the District's programs forward considering the capital needs of our buildings, the changing demographic realities of the District and the financial constraints of our towns.

All interested parents, faculty, administrators, citizens, and town officials are encouraged to attend and take part in this important discussion.
